Continuance of rectification work left by previous kitchen/bathroom company 10 / 10
 Once again, Mr Barrell performed an excellent service; moreover, his final invoice reflected the fact that the work took less time than he had anticipated. Our total confidence in Mr Barrell's professionalism was reflected in the fact that we were not present during the several days of this tranche of our ongoing rectification process. We returned to find a perfect job with no resulting mess and no disruption to neighbours. We strongly recommend his excellent services. **Customer in Cranbrook, 5 October 2011**

 GSB Interiors work was of an excellent standard. They had been called in to rectify sub standard wall of a bathroom installation company. We wish we had obtained their services for the original job! **Customer in Cranbrook, 31 August 2011**
