#### Key broke in door lock, new barrel fitted

10 / 10

The locksmith arrived on time and managed to extract the key within seconds. He then gave us the option of leaving the lock as it was or fitting a new barrel for only an extra £20. He also fine tuned the fitting of the hinges making the door much easier to close. Excellent service and great value. The guy at the shop who I called first was also very friendly and helpful **Customer in Brighton, 18 April 2012**
