He could of told me anything as I did not have a clue what was wrong it turned out to be something simple took him 10 minutes and did not charge. **Customer in Welwyn Garden City, 4 May 2012**

Satellite installation in bedroom 10 / 10
Friendly and good technical advice and options throughout to sort out which service would best suit our needs. Will definitely use this company again and refer them to friends and family in future. Was let down by another company with 2 postponed appointments after our day and work was rescheduled to accommodate this work. One call to Halo and they were with us within the hour sorting out exactly what we needed - so a potential nightmare has turned into a great evening watching tv instead of going out. **Customer in Stevenage, 4 May 2012**

Very quick installation, able to do the job instantly, friendly and honest, full explanation of equipment supplied and full instructions on the freeview service, would recommend **Customer in Welwyn Garden City, 30 April 2012**
