Driving lessons and test pass

10 / 10

After having trouble with another driving company, I changed to Hamilton because one of their instructors, Lisa White, was recommended to me by a friend. Lisa was very organised and reliable, and always arrived early for lessons. She is a great coach, and seemed genuinely interested in helping me to pass the test. She gave me lots of great advice to help me improve my driving skills, as well as developing my confidence. The Fiesta we drove was new, clean and well-maintained as well as easy to drive. I really enjoyed the lessons with Lisa, and passed the driving test with her. I can strongly recommend her to anyone as a very professional and reliable instructor who gets results! **Customer in Epsom, 7 February 2012**

Recommended by my friends who have all taught by Hamilton instructors and passed their tests. I was taught by Lisa who is

absolutely professional, friendly, honest and always patience (driving a manual can be a real pain at the start!). Lessons were enjoyable, things were explained very clearly. I'm glad to have her as my instructor, will definitely recommend her to everyone. Didn't think I'd passed my test today, so a big thank you to her! **Customer in Chessington, 9 January 2012**
