Very pleased, actually delighted. Work was completed on time to budget. Nothing was a drama. Any little thing I mentioned was taken care of in a positive and polite manner. Boss man was always checking and picking things up I did not see and rectifying them. Cleared up every night, the work went on for 7 weeks. Any additional items we done always happy to give advise and suggestions. No complaints what so ever. I would definitely recommend these guys to family and already have. **Customer in Gosport, 27 April 2012**
