Landscape garden including patio, built-in seating, rendered wall, planting and lighting 10 / 10

The work was carried out and finished to an extremely high standard. All of the workmen were experts in their field and the job was not finished until they had meticulously inspected each aspect and judged it against their own high standards. Everyone was very friendly and the communication was fantastic – nothing was too much trouble! The professionalism of this company is to be commended and I would recommend their work to everyone. The finished garden has surpassed all of my hopes and is an area that I can now enjoy and be proud of for many years to come. **Customer in Portsmouth, 20 August 2011**
