Most Recent Customer Feedback

Replaced five light fittings with transformers

10 / 10

I was extremely happy with the work done and was given suggestions about how to get better lighting in my whole apartment and without any pressure on their part to get this additional work carried out. I will most certainly use this company again. **Customer in London, 10 May 2012**

Fixing shower isolator switch and checking ensuite extractor fan

10 / 10

Keith is friendly and polite. Gets on with the job. The charge for the work is very reasonable. I will certainly use his services again and will highly recommend him to others. **Customer in Canvey Island, 14 April 2012**

Replacment of light fitting

10 / 10

Received a quote for the work very quickly. Keith arrived on time and carried out the work to a very high standard. Also provided me with some advice on some other electrical issues in the flat. Very friendly and efficient. I would definitely use them again and have asked for a quote for further works as I was impressed with them this time. **Customer in London, 14 April 2012**

Installation of a bathroom vent and changing of lights transformer

10 / 10

Fantastic! Everyone (including manufacturer) had said that the lights couldn't be repaired. Keith did the lot in 1 hour. The man is incredibly knowledgeable, thoroughly professional and reliable and really courteous and pleasant. I can't fault this company whatsoever and will use them again when/if I need to. **Customer in London, 5 April 2012**

Replaced a faulty toilet extractor fan

10 / 10

Extremely helpful, polite and efficient service. I would recommend this company highly. Very pleased overall with the effort shown to get the correct fan. **Customer in London, 5 April 2012**
