Data backup with supply and install of new HDD

9.8 / 10

Although initially reluctant to call-out anybody I was pleasantly surprised at the affable and professional attitude shown. A data backup and re-install was done with no fuss and at a reasonable cost. I would not hesitate to use them again if necessary. **Customer in Eastleigh, 11 November 2011**

Sorted slow running pc

9.5 / 10

Arrived later than the arranged time due to over running job, but phoned to explain and to re arrange appointment if needed. Very quickly tidied up the systems to give optimum performance and diagnosed a fault with the memory, an upgrade fitted by another company was not making connection. This was refitted and the pc is back up to full speed. Will use them again and recommend to others **Customer in Southampton, 26 October 2011**

An excellent, thorough and professional job at a very reasonable price. All files were backed up and a new operating system installed. Care was taken to understand my requirements, and these were fully met. A really pleasant communicative team whose advice was sound. I will certainly call on their services again if the need arises and would recommend them without hesitation. **Customer in Southampton, 7 October 2011**
