Bathroom and Kitchen Re-Fit

9 / 10

HSL carried out refit of the main bathroom and Kitchen. There was some issues arose which resulted in work which was outside the scope of the original schedule, all of it was done without any quibble. All the work was done to a very good standard and I would not hesitate to recommend HLS for other similar work to other customers. **Customer in Banstead, 4 May 2012**

Complete bathroom rebuild

Bob and his mate Colin spent two weeks totally rebuilding my bathroom, including knocking down walls and moving doors and moving soil pipes and so on, and did a marvellous job. Friendly, polite and knowledgeable, always ready to explain any difficulties and changes, very pleased with my lovely orange bathroom, thanks :) **Customer in Epsom, 2 February 2012**

Refitting cloakroom and building cupboards and shelves

10 / 10

Bob's the best!! He comes highly recommended. Bob had to deal with me (I'm very picky) and my two toddlers and was brilliant. He worked really hard, was tidy and a pleasure to have in the house. The standard of his work is excellent and we've already asked him to come back and quote for another job. **Customer in Dorking, 14 November 2011**
