 Excellent in all respects. We were contacted at all points to update progress on making items and when they would be fitted. All arrangements kept to and time scale and cost matched what was predicted at the time of quoting for the work. Courteous, good humoured, considerate and hard-working onsite. Tidy and organised at all times, especially when the job was complete. High quality workmanship and very good value for money. **Customer in Banstead, 11 January 2012**
