### Most Recent Customer Feedback

#### Approx. 160m2 of limestone slabs to large patio area.

10 / 10

James and Lee were very easy to have working here and have done a great job on our patio at a fair price. Their reliability and time keeping were especially appreciated as I needed them to be here in time for me to leave on the school run each day for a 2 week period. I wouldn't hesitate to recommend them, indeed we've asked them to do further work for us here in the next few weeks. **Customer in Forest Row, 25 May 2011**

#### New wooden gate and adjoining fence panel. Rebuilt brick wall above door lintel on double garage

10 / 10

Excellent standard of work. Always trusted to do a good job. **Customer in Crawley, 11 May 2011**

#### Fixture of handrail on staircase, shower runner and window locks.

10 / 10

The handrail was very tidily fitted with brackets fixed to 4" by 1" inset into the wall. The job, which involved detecting studs and avoiding electric wiring, was completed very professionally. Shower runner and window locks were also fitted to a faultlessly high standard. I cannot fault any aspect of the work and I would have no hesitation in using James or Lee of Image Construction to work for my elderly father or me again or in recommending them to others. **Customer in Crawley, 12 January 2011**

#### Block paved driveway

10 / 10

Great guys, they did a brilliant job. Driveway looks fantastic! Would definately recommend them - in fact I did and they are going to do a quote for my Dad! **Customer in Horsham, 22 October 2010**

**Raise and renew a flat roof, build new window plus associated works.**

10 / 10

Would be more than happy to recommend Image Construction (James and Lee). They have undertaken two jobs for us, this year and last, and on both occasion we found them to be reliable, professional and nice people to deal with. Work is always finished to a high standard but they drink a lot of tea!

**Customer in Crowborough, 23 July 2010**
