Working in cramped conditions, they were a great group of cheerful, polite, hardworking guys! Plumber, Sparks, tiler, chippy, plasterers - all good quality work completed under timescales quoted. More attention to finishing and keeping things clean/tidy would have given 10 out of 10 score, but there was no problem getting them to return to do the snagging. Great job, guys! **Customer in Alresford, 12 December 2011**
