Complete installation of bathroom from scratch

10 / 10

Roger and his team installed a beautiful bathroom for us and we are very pleased. They had to re-plumb the whole room, as well as re-doing the electrics, plastering, flooring, heating and painting. They also put in a basin in the bedroom. They even kept an eye on our cats while we were away! **Customer in Fareham, 9 April 2012**

Complete kitchen refit

If you need a new kitchen don't bother going any where else but to Install plus, Roger does everything, starting with the consultation, ordering of the kitchen fitting, absolutely everything. The standard is so exceptionally high we find ourselves just standing at the door admiring our new kitchen, thinking this cant be ours!!! Roger is a superb craftsman and completely approachable for those little tweaks you may need to make along the way. **Customer in Fareham, 6 January 2012**
