Most Recent Customer Feedback

Installed new main earth bond to gas and water pipes

10 / 10

Heitor was professional, pleasant and prompt. He carried out the work at short notice and was very tidy. **Customer in London, 25 February 2012**

Install new fire radio alarm system in our school

10 / 10

Excellent standard of work. We are very pleased with the finished product. We would be happy to recommend Heitor da Cunha. **Customer in Teddington, 13 February 2012**

Emergency call out to fix burglar alarm

10 / 10

Fantastic service: rescued us in our hour of need! Came quickly, sorted the problem swiftly, and fixed some other electrical problems while here. Extremely helpful and friendly service. **Customer in Coulsdon, 11 February 2012**

New wiring for double electric oven

10 / 10

We had a new electric oven delivered to be fitted but the existing wiring was not of the correct amperes. We called Heitor who came within 3 hours. He ran a new wire which was neatly done, hiding all the wiring and also made sure the existing wiring near the oven was safe. Heitor also removed the old oven, fitted the new one and made sure everything worked. We liked his work and the explanation of the work in layman terms that we have asked him to quote for a few more electrical works in the house. **Customer in Epsom, 22 December 2011**

Lighting inside, outside and in a cellar

10 / 10

Outstanding work at a very reasonable price. Mr da Cunha was very hardworking, highly professional and I think very skilled. The work was in some difficult circumstances (a dark cellar area and outside on a very cold day) and he completed the job in the estimated time with great courtesy and no mess. I will certainly use him again and I wholeheartedly recommend him. **Customer in Kingston upon Thames, 5 December 2011**
