 Would have no hesitation in recommending. Very reliable and clean. Very pleased with the floating shelves Jim put up. Will definitely use again. **Customer in South Croydon, 12 March 2012**

Fitted out shelving and hanging space to 2 wardrobes/cupboards 10 / 10
 Jim has worked to complete the fit out of the wardrobes and completed on time and to the required standard. He was both courteous and professional and would be happy to have him quote for future work at my house. **Customer in Caterham, 21 December 2011**

Bedroom upgrade including built in wardrobe and vanity desk & shelving 10 / 10
 I have used Jim on 3 major home projects over the last 4 years, needless to say my wife and I do not look elsewhere for any type of home improvement work. The latest job entailed the upgrade of my 12 year old daughters bedroom and what a fantastic transformation it was. Jim is exceptional in his approach and execution and accommodated more than the odd change request. I have no hesitation in recommending his company. I look forward to the next engagement which will not be too far away. **Customer in Worcester Park, 12 December 2011**

Supply and installation of fitted kitchen and utility room

10 / 10

Amazing how much a difference it has made having the kitchen redone to better utilise the space. With a better paint scheme and decent lighting it is difficult to remember how it was. Additionally now having a utility room for the washing machine and tumble dryer indoors rather than a shed. Great job, great workmanship. Thanks. A happy wife is a happy home. **Customer in Horley, 25 November 2011**
