Estimate given. Work begun within the week. X2 workers arrived lunchtime (1hour early) and worked solidly until work completed (dusk). Excellent job. Extremely courteous/ hard working men. Work inspected by Mr Somlev next day, before Invoice sent. Have already recommended Ivy Services. **Customer in Guildford, 11 October 2011**

Ground drainage, soak away and sandstone paving. Clearing bushes

9.5 / 10

The work was carried out to a high standard mainly by Peter who paid great attention to the detail and quality of the finish and worked extremely hard. Artur did a great job clearing the rather overgrown garden. The only downside was that the quotation was too low because the area to be paved was not accurately estimated at the outset. **Customer in Woking, 6 October 2011**

Repaired crazy paving. Put down concrete base for a shed and erected it. Built low walls with topping and put up trellis panels.
