Most Recent Customer Feedback

Damproofing done in several parts of our property 10 / 10

J B provided an excellent service. Before the work was done we received an excellently presented and detailed report of what needed to be done with an accurate quotation. We felt we left the work to an experienced and professional tradesman. We feel very happy with the result and definitely recommend it to friends and family. **Customer in Worcester Park, 9 May 2012**
