Replacement close boarded feather edged fence 27ft long 10 / 10

Mr Bullock and the team arrived when they said they would. The first day they made sure that the site was secure at the end of the day, leaving everything tidy. The guys were very polite and kept me informed of the progress. Before they left site Mr Bullock was back to check that every thing was up to standard and that I was satisfied. I will be using them again for other work that I have planned and would recommend them to anyone. **Customer in Bordon, 10 January 2012**
