Nursery driveway repaired

10 / 10

This is the second time we have used J C M and again have been delighted with the service they have provided. They did the work at the weekend as this is the only time it can be done due to our opening hours yet there was no need for anyone from our company to go in and check that everything was ok as we have complete trust in James and his team. The job was left tidy and ready for us to use on Monday morning. **Customer in Guildford, 7 January 2012**

Delighted with our new driveway, professional and courteous team, pleasure to have on site for 2 weeks. Exceeded expectations and have also kindly helped with our own patio project to help us get it completed for a tight deadline. Thank you James and the team. Highly recommend. **Customer in Petersfield, 19 May 2011**
