Redesign and replacement of main bathroom, replacement vanity basin in bedroom and new cloakroom

10 / 10

Jason brings energy and enthusiasm and expertise to each project. We are most impressed and would highly recommend him. **Customer in Petersfield, 14 April 2012**

Two bathrooms: One completely gutted and rebuilt and one completely renovated and refitted..

9.5 / 10

Jason really does do the "Complete Bathroom" (as the name implies). Bathroom1 was an awkward shape and dark and cramped. We had no idea what to do with it. Jason came up with a brilliant re-design that gave us a large and light room. Can't believe it only occupies the same space. Bathroom 2, sanitaryware and fittings stayed in situ, but were replaced and improved, and again, somehow a very small bathroom is larger and lighter. Electricians, plastering, tiling and ingenious plumbing solutions all done or organised by Jason. He consulted with us as it went along, where any adaptations might have to be made and referred us to suppliers who were knowledgeable and helpful. Can't fault his focus, enthusiasm, time-keeping, courtesy and personal pride in getting it right for us and also clearing and tidying to give us a liveable house every evening. Whole thing finished on time, on quote and to a high standard of workmanship. Delighted! **Customer in Bordon, 20 February 2012**

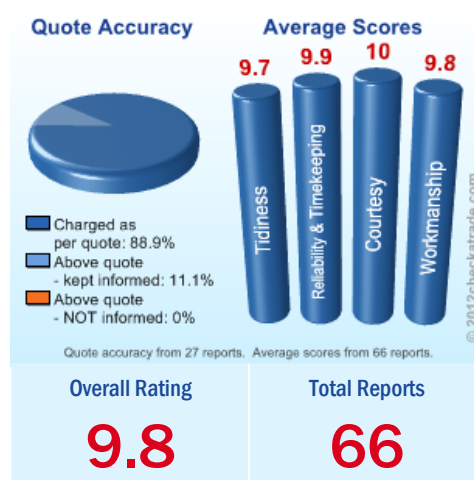

Complete refurbishment of bathroom plus kitchen floor laying

10 / 10

Usually fit my own bathrooms, but an accident made me look for a professional plumber/fitter to fit a bathroom for my 90 year old father. He was absolutely superb on every count. Also very thoughtful and practical about provision for an elderly person. Fitted to the highest standards of building practices. **Customer in Petersfield, 23 January 2012**

Complete redesign and enlarging of an ensuite and family bathroom

10 / 10

Jason was exceptional. Both the bathrooms look fantastic, he is a true craftsman. He always cleared up each day, kept you informed on how the job was progressing. You won't be disappointed. We most certainly weren't. In our opinion he really is that good. **Customer in Bordon, 2 December 2011**

A complete bathroom renovation

10 / 10

Thank you Jason and Chris for a professional and reliable service. Easy to work with to design the new bathroom, great ideas, great advice and nothing is too much trouble. Their workmanship is of the highest quality, Jason keeps you fully informed of the plan and arrives when he states he will. Importantly, he ensured we had a toilet each night and a bath after the 2nd day. After each day the house was clean and tidy. The outcome is an amazing looking bathroom finished to the highest quality. I would highly recommend Jason and I'm already planning to use him for other work. **Customer in Bordon, 12 September 2011**
