Most Recent Customer Feedback

Partition wall removed, ceilings plastered, walls and coving made good 10 / 10

Really delighted with the work carried out by Dave and his co-worker Lee. Really reliable, tidy and friendly. Good value for money! Dave arranged a plumber to relocate the radiator and an electrician to install spotlights in the kitchen. Which meant no stress for me! With an energetic one year old this made life easy for me. All the work was synchronised and completed within four days. Would definitely recommend to others. **Customer in Southampton, 10 April 2012**

Removal of internal wall and placement of supporting steel, plastering and woodwork finish to match the unique style of the room. 10 / 10

Excellent workmanship. Totally reliable and trustworthy. Considerate and tidy. I am delighted with the end result and would certainly employ them again for further work. Highly recommended. **Customer in Winchester, 26 March 2012**

Kitchen 10 / 10

This was the biggest and most transformed job dave did for us, knocked down an existing wall, and put up a stud wall, ripped out old kitchen, so that left him a clean canvas to work on, kitchen was from elliot's, dave replastered ceiling and walls, and fitted a new kitchen to a outstanding standard. Dave always kept us informed of problems he came across, tiled floor, hung a new door, all new skirting, so everything matched from new kitchen through to conservatory, made a drying room out of an existing under stairs cupboard which consists of tumble dryer and built in shelving unit, as per previous jobs everything was done to a very high spec and dave made sure everything was finished to a high standard. We would never hesitate in getting dave to do any other jobs for us and to recommend him to anybody. He is a pleasant person to have around, always smiling, very friendly and always checked with us we were pleased with the job **Customer in Southampton, 8 August 2011**

Building work prior to a new kitchen installation 9 / 10

Dave and his team did an excellent job to ensure the work was completed on time, always cheerful and prepared to work long hours and weekends when needed. **Customer in Southampton, 18 July 2011**

Hallway and cloakroom

10 / 10

Replastered cloakroom, built in a cupboard covering pipes, replastered walls and ceiling, undercoated and painted walls, excellent job on such a small room, hallway painted all walls, as before job was done to a high spec and and to detail
