Felled Several Large Trees

10 / 10

This is the third time we've used Justin. He and his team are brilliant. Courteous and tidy, reasonably-priced and efficient. They worked hard over 3 days and left the place spotless. We'll be using them again. **Customer in Hassocks, 7 February 2012**

10 trees and giant hedge removed

10 / 10

I cannot speak too highly of Justin and Ben - thoroughly professional and very friendly they made great efforts to keep any mess in the garden whilst working to a minimum and left my garden looking tidier than before as they swept up all leaves too. Conditions weren't good either as it was both wet and windy. They arrived on time and kept in touch by phone when I was unexpectedly called away. My neighbours were impressed too. Would thoroughly recommend. **Customer in Haywards Heath, 15 December 2011**

6 large trees halved in height

10 / 10

We were very impressed with this company. Justin quoted promptly, and the work was carried out on the date and time as arranged, and for the price quoted. The whole team were very polite, professional and tidy. We would certainly use J Lee Trees again and happily recommend them to anyone. **Customer in Haywards Heath, 22 November 2011**

Cutting down 4 trees, logging to size and grinding out stumps

10 / 10

Thank you for an excellent job taking down the trees over the last couple of days. It is great to have a company come when they say they will, do exactly as they say they will in a professional and friendly way and then leave the place tidier than they found it! I would have no hesitation in recommending Justin to others. **Customer in Burgess Hill, 20 October 2011**
