Alterations to kitchen

10 / 10

I wanted to make changes to my kitchen without replacing the whole thing. Jeff replaced worktops, hob, sink unit and made good with tiling and general alterations. He also boarded the floor ready for the new floor covering. Jeff has done a very good job at a very reasonable price and I would be happy to recommend him **Customer in Horley, 25 August 2011**

Fit New Bathroom

10 / 10

We found Jeff on Checktrade and are very glad that we did. Jeff did a superb job for us, fitting a bath, toilet, vanity unit and sink and has also done some "boxing in". Jeff is a very nice guy and works incredibly hard. He was with us for 2 days and worked solidly from 8:00am until gone 6:00pm without even taking a tea break! We are very happy with his work and would definitely ask Jeff to do more work for us when we need it. His pricing is very competitive and he was spot on his quote. I would have no hesitation in recommending JM Services. A very professional and helpful tradesman. Thank you! **Customer in Crawley, 7 January 2011**
