Levelling and laying tarmac driveway 10 / 10
We were very pleased with the finished job. They worked hard and left the site very tidy. The only criticism was that communication was not Owen's strongest point **Customer in Mayfield, 15 December 2011**

Re landscaped nursery garden 10 / 10
The work carried out was of a very high standard and the staff arrived promptly each morning ready to start for the day. Due to the nature of the business we require access to the garden during the week and JOG contractors where very accomodating with working around our requirements.Work was completed within the designated time scale they gave us and we will definatley use them again in the future. **Customer in Crawley, 2 December 2011**

Dug out front garden and block paved new drive 10 / 10
Fantastic job. Started when they said they would and finished the job in 3 days. Site was kept incredibly tidy and rubbish removed the same day. A number of neighbours have since asked for quotes having seen their workmanship. Would definitely recommend this company. **Customer in East Grinstead, 1 September 2011**
