This is the third time we have used this company and on each occasion we have been very pleased with all aspects of the work carried out. The men are very helpful and polite, work hard and complete the job efficiently and always tidy up before they leave the garden. We would not hesitate in recommending Jon and the boys to anyone looking for a good job at a good price. **Customer in Rowland's Castle, 8 December 2011**

**Tree Felling and Tree Reduction** 10 / 10  
Absolutely first class! I used JP's services in 2007 for tree reduction / felling and to erect a close board fence. This time it was tree reduction / felling. Both jobs done expertly, efficiently and with courtesy and cheerfulness. Good value too for supplying logs. Highly recommended. **Customer in Petersfield, 29 November 2011**
