**New Drive, remove existing hard standing, beds, lawn and brickwork and replace with new beds, fencing and gravel.** 9.3 / 10  
 Jeff gave a competitive quote but unlike most contractors gave insight into a better and cheaper way of doing things than we had thought. The job was big and although ran longer than anticipated it was done efficiently and as quickly as possible. The finished product is a driveway that works, looks great and sets the house off perfectly. Jeff and Alex work hard, work weekends if necessary and were exactly what you hope all trades will be when you employ them. **Customer in Leatherhead, 17 October 2011**
