James kept us updated throughout the job. Trustworthy and professional. Kept to what they quoted, and finished the job on time. Highly recommended and would not hesitate to use them again. **Customer in Bournemouth, 23 March 2012**

Refurbish bathroom and shower room + some general building work 9 / 10
Work involved the refurbishment of a badly neglected flat, in particular bathroom and shower-room. Work was carried out to a very high standard and with a very helpful and positive attitude. Also dealt with a couple of subsequent problems (which were not their fault) very willingly and without further charge. Very pleased with the end result. **Customer in Poole, 13 January 2012**

Refit Kitchen units, fit new gas hob and repair bathroom and en-suite 9.8 / 10
James and Mark were extremely helpful, polite and punctual. The gas hob was fitted really well by Mark and it looks great. James fixed various bathroom issues (extractor fan - still needs to be wired into separate switch, bath plug, cistern flushing unit) and a number of kitchen problems (dishwasher door not aligned properly, other doors/drawers not in line, etc). All work done on time and within budget. Will use again. **Customer in Bournemouth, 19 November 2011**
