Plastered chimney breast, plaster board on utility room ceiling and plastered 10 / 10

Julian was really good to work with - he stayed in touch by phone and the standard of the work was excellent. He even came back to add in an air vent at no extra charge. I would definitely recommend Julian to others. Very friendly, neat and completed the work for a good price. **Customer in Hastings, 19 April 2012**

Plastering 10 / 10

I first used Julian back in October when my regular plasterer let me down. I noticed his clean and tidy van...thought this would be a good sign.

I tried him out on some plastering for me at Bexhill United Reformed Church....which I have been restoring for the past two years. I have been in the building trade for 40 odd years and never have I seen plasterers this tidy, he matched the Victorian decor of the church perfectly.

Julian has now just finished replastering a house for me that suffered from flood damage....again finish and cleanliness exemplary.

I found his prices to be the average, but the standard of work is second to none.

Julian is an absolute joy to work with. **Customer in Bexhill-on-Sea, 25 November 2011**

Re-pointing and repairing of brick work to the steps at the front of house 10 / 10

These guys are fantastic, The work they have carried out is very thorough and is finished to a high professional standard, Julian and Patrick are two of the hardest working tradesmen I have met with a likable and friendly manner, Their attention to detail and tidying up after the works are second to none, In my opinion if you are after an excellent job for a reasonable price look no further and employ this company. **Customer in Bexhill-on-Sea, 5 October 2011**

Plastering of cloakroom and living room

10 / 10

We are really happy with both jobs that JVS have done for us and would highly recommend them to others. Our cloakroom was particularly difficult and Julian worked a long day in uncomfortable conditions to ensure we got a professional result. Julian and Patricio are extremely hardworking, polite and friendly and pay great attention to detail. They also leave the house tidier than when they arrived! The finished result is great and at a very reasonable price.
