Airport and city transfers since August 2011

10 / 10

I can highly recommend this company for corporate airport and long distance transfers. Tracy and Jason are delightful to work with and I have received good feedback from all service users. The drivers are professional and courteous and when things go wrong (as they always do in the travel industry) there is excellent communication between Jays and myself to help resolve the issue. Keep up the good work! **Customer in Lewes, 1 August 2011**

We always use Jay's for our airport transfers. Tracy is always polite and fun to talk to. Jason is always professional and smart in appearance and nothing is too much trouble for him! All the other drivers we have had are also very good. The vehicles are clean and very comfortable. Would always recommend and use. Thanks!!!! **Customer in Eastbourne, 26 June 2011**
