Skimming 2 rooms including ceilings, dry lining 2 walls and patch repairs to others 10 / 10

We will definitely be using Scott again and have already recommended him to friends. The work was completed ahead of schedule despite some unexpected repair work. His team were great, very friendly and easy to have working in the house. Scott took the time to let us know what was happening at every stage and check we were happy with the work.

Full plastering of bathroom 10 / 10

Excellent!!! Scott does exactly what he says he will and more and on time!, Scott was a pleasure to do business with and from the very off it was like having a friend in the house rather than a builder. Have and would recommend Scott to all.
Thanks for a great job! **Customer in Caterham, 22 March 2012**

Plastered Kitchen Ceiling 10 / 10

Scott did excellent quality work. Professional results. He still came on time to us one day even when he wasn't feeling at his best - very reliable. Glenn Lavender who did our boiler in the kitchen as well, gave us Scott's number - both highly recommended! Thanks Scott!Mark and Maria **Customer in Warlingham, 19 March 2012**

Bedroom skimmed 10 / 10

We have used Scott before and had no hesitation in doing so again. He is extremely professional and personable, he does the job well and he is also very helpful with providing useful advice about other diy jobs which may following the plastering - fitting coving, skirting etc - if you need it. We have more bedrooms that will need plastering and I have no doubt that we will use Scott again. **Customer in South Croydon, 22 January 2012**

Plastering of ceiling and four walls 10 / 10

It is not the first time that I have had work done by Jenkins Plastering and as before the work was done without any fuss and very quickly. The finish was excellent and I would have no problems in recommending them. **Customer in Caterham, 20 December 2011**
