Kitchen cabinet designed and built

10 / 10

Jason designed a cabinet to fit in an existing kitchen. The end result blends in really well and is really sturdy. He has also fitted a door and the door furniture for me. Very happy customer. Will employ his expertise again without hesitation.

New banisters, under stairs cupboards, new flooring, skirts and loft hatch

10 / 10

Jason's skills have transformed our hallway, the quality of work is exceptional, carried out on time and within the budget quoted if not less. Jason is very trustworthy, we were able to leave the key with Jason whilst the work was being done as we were at work, and when we arrived home each day the house was tidy. Jason was also able to advise me on best practice with some of the work I was carrying out myself. I will be using Jason's services again. Brilliant 5 stars.
