Our phone calls were answered and responded to immediately and courteously. Appointments were made and kept promptly. The work is neat, very effective and it was completed quickly and very tidily. I cannot fault this service and would reccomend to anyone. **Customer in Southampton, 27 April 2012**

Fitted two internal doors and sliding doors in recess in Bedroom. — 10 / 10

Julian not ony fitted two internal doors and replaced all the door furniture throughout the house (all doors needed new holes cut) but successfully found a way to fit sliding wardrobe doors bought perviously into a recess in my bedroom. This was not initially an easy job and he gave it much thought -the final outcome is really pleasing and professional -brilliant thank you ! He was very professional personally and even let my dog sit with him whilst he was working! I would recommend him without reservation. **Customer in Southampton, 26 April 2012**
