Carpets fitted to two bedrooms

10 / 10

Included in the quote was the taking up and disposal of old carpets, which was well worth the very low additional cost and they took with them my old carpets and the tiny off cuts left over from the new. I was also concerned about many boxed items of new furniture I had stored in the second bedroom; it was not necessary for me to clear the bedrooms completely and they work around the items. From placing my order, which was done in my own home, to the fitting was a matter of days. I can't recommend this company more highly. **Customer in Littlehampton, 30 January 2012**

Fantastic customer service from start to finish. Excellent communication throughout, including dealing with our changes to the fitting date and amount of materials required - responsive and prompt every time. The fitters themselves were quick, efficient, tidy and polite - a whole house in just over 6 hours! Amazed! Quality of work and materials - very pleased. **Customer in Hove, 23 January 2012**
