Mended a leaking pipe

10 / 10

Mr James was recommended to me by a friend. It was a bit of an emergency as the pipe was leaking and causing damage to the ceiling. I texted him quite late at night saying I would call in the morning but he phoned me back early the following morning. He had a job on but came to me after lunch at exactly the time promised. Very polite, friendly and mended my faulty pipe at what I thought was a very reasonable cost. Would definatly use him again. **Customer in Epsom, 16 May 2012**

Replaced pump in airing cuboard

10 / 10

Phoned in morning and after explaining I had been without hot water or heating for 5 days, as my previous plumber had let me down, he came round after his usual job load at 5pm and replaced my pump. He was very efficient, trustworthy, friendly, tidy and I would not hesitate in recommending him to my friends. Great service **Customer in Sutton, 27 April 2012**
