**Fitted bathroom** 9.8 / 10  
I am incredibly happy with my bathroom. The standard of workmanship is excellent. The team were great from start to finish, understanding my design requirements; getting the work completed quickly whilst keeping everywhere clean and tidy. They also worked hard to get the look needed on my budget. The workmen worked really hard to get the job done and checked in to make sure everything was fitted how I wanted it. There were a few snagging issues but these were dealt with without stress or drama and solved very quickly. I would highly recommend them to anyone and if I need a kitchen I would not hesitate to use them again. **Customer in West Molesey, 10 April 2012**
