New door, strengthen airing cupboard and fit new door and shelves. Plus minor work. 10 / 10

John turned up dead on the time agreed, and did the work exceptionally well. He explained how he was going to carry out the work. He took away all the debris, and carries his own broom and vacuum cleaner to tidy up each day. At the end of the job I asked him to quote for another job (loft ladder). **Customer in Surbiton, 1 February 2012**

New rear entrance door to garage 10 / 10

John kept us informed of when he would be starting and kept to his word. Job was completed quietly and professionally. Job was priced at a fair rate with no hidden extras. I would recommend him for any future work **Customer in Worcester Park, 16 January 2012**

Boxed in pipes in kitchen 10 / 10

Mr Joyce was a pleasure to have in my home. He arrived on time, did a fantastic job and cleaned up after doing the work. This was only a small job but John was happy to take on the work. Would be happy to recommend to friends and family and would use again. **Customer in Ewell, 22 November 2011**

Repairs to stairwell, hung doors and bespoke carpentry 10 / 10

John Joyce was a pleasure to work with and I can highly recommend him! 10 out of 10. Being rather cautious and a bit of a perfectionist I got 5 quotes before I met John as I carry out most repairs myself and I find it difficult to trust tradesmen who deliver to my standards and provide value for money. With no time to do the work myself I buckled to my wife's pleas to get a professional to finish the remaining technical carpentry jobs in the house. His quote was very competitive but most importantly his expertise was self evident and his advice spot on. I accepted the quote and true to his word his time keeping was impeccable, he was exceptionally professional, he was courteous, cleaned up after himself and most importantly delivered the jobs to my exact specifications and to an extremely high standard. After rebuilding most of my house myself over the years I am not easily impressed and dare I say fear the worst with modern tradesmen, John Joyce

is an exception to the rule. I will be using John again for any carpentry jobs I need help with and would go so far as to say that I wouldn't use another carpenter if I need something doing! Thanks John- the wife is finally happy and the house is finished!!!! **Customer in New Malden, 28 October 2011**

Bespoke fitted wardrobes

10 / 10

This is the second time that we have used John Joyce and again we were not disappointed. From the first contact to the finish of the job John was professional in his approach. The wardrobes were absolutely fabulous and the nice thing was that John made suggestions as well to help us get the right solution for us. The standard of workmanship was excellent and I would highly recommend him to anyone. **Customer in Surbiton, 26 October 2011**
