#### New Guttering to a detached house

10 / 10

Jim and his son worked hard replacing all the old guttering all around the house. They worked very hard and went to considerable lengths to get the new guttering fitted correctly, also clearing out some other guttering around the garage. Would certainly recommend them. **Customer in Burgess Hill, 24 May 2012**

Excellent service. Arrived on time and completed the work as agreed in a timely and very tidy fashion, despite the awful weather.
