#### Replacement of gas boiler 10 / 10

The engineers were friendly, courteous and informative. They worked hard and did a difficult installation in just a few hours. The result was a superb Vaillant boiler system and not as much as a speck of dust left behind. I highly recommend JSJ Gas. **Customer in Bournemouth, 11 May 2012**

Work to take away old boiler and replace it with a new one, was carried out to the highest standards. Jim and Stuart completed the whole job on the same day.
