The work done is of a very high standard, and we are so happy with it. It has really given us a superb entertaining area and it makes the whole garden look much bigger and neater. **Customer in Horsham, 24 May 2012**

The whole experience was a pleasure, John is a perfectionist and everything ran on schedule. We are over the moon with our new home, and would recommend John to anyone, he is a really lovely genuine chap, and what you see is what you get. I will miss not seeing him and his team every day. **Customer in Horsham, 31 March 2012**

#### All external brickwork, pitching of roof, tiling. And now internal work, floors, ceilings, plasterboarding, stud walls, electrics plumbing, plastering etc

10 / 10

The work that has been done to date is of a very high standard and looks great. The finish on the brickwork is very well matched to the existing brickwork, and lots of our neighbours have commented on the almost perfect match. We have had nothing to complain about, and I have actually enjoyed the whole process, and there's more to come with the internal finishing touches! **Customer in Horsham, 16 March 2012**
