Most Recent Customer Feedback

Porch and driveway 9.8 / 10
Reliable with a capital R something that is often lacking in this day and age. **Customer in Christchurch, 11 March 2010**

Removed and replaced a radiator 10 / 10
James is very polite, conscientious and reliable. His work is of a high quality, we will be using him again. I would recommend them. **Customer in Wimborne, 16 August 2009**

Design and construction of large decking area. 9.7 / 10
Very courteous and professional - good value for money. **Customer in Ferndown, 15 August 2009**

Services. 10 / 10
We have recently moved into the area and knew no contacts for home jobs etc. This person scored and overall 10 points because we could not fault him in any way. He finished the job - no mess whatsoever - yet still hoovered the work area and we would recommend him without hesitation. **Customer in Broadstone, 28 May 2009**

Supply and fitting of new kitchen taps 10 / 10
I found James a most pleasant and efficient worker. I intend to use him again very soon. Excellent workmanship. Highly Recommended.
