Sourced from Checkatrade, came to give quote on time, a reasonable price, knowledgeable on products and time to carry out the work. At the commencement of work, they were punctual, careful in setting up and keeping furnishings and property covered. Very pleasant personalities, polite and good humoured even when we needed to change some of the work specification. Will use again as they are booked to do some more for us soon. **Customer in Woking, 30 January 2012**
