Hiring and using vibrating roller on front and back lawns

10 / 10

Hard work with quite a few obstacles to negotiate, the roller had difficulty getting through the sideway and Kevin had some trouble removing our wall mounted hose-reel to gain access.The work was done cheerfully and Kevin was polite and helpful throughout. **Customer in Lancing, 30 March 2012**

Cutting back tall overgrown shrub

10 / 10

It was quite a big job the shrub had completely covered the garage roof, which was not easy to access because of the greenhouse. Kevin did a good job, took away all the debris and left everything tidy, he was efficient, polite and helpful. Happy to recommend. **Customer in Lancing, 22 March 2012**
