Installed lights and dimmer switch 10 / 10

Kieran did a great job putting up 2 delicate glass lights, requiring a lot of patience. He went above and beyond by going back to the shop I bought the lights from to get a bit that was missing. He was also very clean and tidy and took all my packaging away. I wouldn't hesitate to recommend him. **Customer in Twickenham, 19 April 2012**

MCB Check 10 / 10

MCB kept tripping. Kieran checked this and found that the emersion heater was faulty and needs replacing. I phoned two other check a trade electricians, one did not bother getting back and the other did not show any interest in doing the work. Kieran came out looked at the fault explained what needed doing and did not try to rip me off. **Customer in Twickenham, 2 April 2012**

Problem with halogen lights in the kitchen 10 / 10

Kieran included me into his already busy schedule at very short notice. He arrived on time, was polite, courteous and kept me informed of what he was doing. Will certainly recommend and use again. **Customer in Twickenham, 21 February 2012**
