Bedroom papered and painted 8.8 / 10
Keith work was very professional with a pleasant personality. **Customer in Waterlooville, 18 April 2012**

Paint of ceiling 10 / 10
Very freindly helpful service. Keith did exactly what he said he would do and was completely reliable. It was a relatively small job but this made no difference. It is often difficult to find someone who will do a small job. I have asked Keith to come back to do more work for me based on how he approached this job. Would certainly recommend him. **Customer in Waterlooville, 24 March 2012**

Mostly painting. Also a little stripping, filling and general repair of walls. 10 / 10
I've just had Keith for 6 days working on my new house in Petersfield and recommend him highly. Keith was always punctual, hard-working and tidy. The quality of the work was of the highest standard and if I ever need help in decorating in the future then he will be my first telephone call. Keith was also helpful in providing me with advice and even let me use some of his tools (as all of mine are in storage). For the 6 days Keith was also great company and kept me going while I was sorting out other work on the house. **Customer in Petersfield, 4 March 2012**
