Most Recent Customer Feedback

Replacement boiler and programmer

9.5 / 10

Really please with the boiler recommend and fitted, Quality of work is excellent and quote for work was very reasonable. Would use Kevin and his team again. **Customer in Worthing, 3 May 2012**

Complete overhaul of central heating and plumbing and new bathrooms

10 / 10

At last a plumber who knows what he is talking about and gets on with it. Hard working, always pleasant and tidy. Would recommend anytime. Thanks to you both. **Customer in Pulborough, 11 October 2011**

Replace bath with a walk-in shower, replace basin and re-tile walls and tile floor.

9.8 / 10

They were extremely competent and friendly. Their work is very neat and tidy. They came across problems with the walls after the old tiles were removed and even though this caused a delay they took it in their stride. We were not without washing facilities for more than twenty four hours. **Customer in Littlehampton, 29 October 2010**

Full bathroom install and Combi boiler install.

10 / 10

I could not fault Kevin and Kieran in any way. The work was timely and of high quality. The work required took 2 solid weeks and the boys did not stop in that time. They were very professional, knowledgeable and completed extra work in my bathroom to make it look amazing without altering the bill!!!!.

I would highly recommend Burgess plumbing and heating to any friends or family, and will definitely have them back when its time for the new kitchen. Thanks again. **Customer in Worthing, 6 August 2010**

New central heating system. New bathroom

10 / 10

Excellent work. Both Kevin and Kieran, who works, for him were very courteous, tidy and helpful going beyond what was required. Kevin would always be first choice for any future work. He made helpful and sensible suggestions before doing the work which enhanced the finished result and in fact saved us money. Nothing was ever too much trouble.
