Decorating a lounge. This involved quite a bit of plastering.

Some outside decorating as well.

I am very pleased with the work. Kevin has worked for me before on two occasions and I am pleased I asked him to do the work. On time, on budget and to a high standard. Thank you. **Customer in Tonbridge, 2 November 2011**

Exterior maintenance on roof, chimney stacks, guttering and replacement windows fitted 9.8 / 10

Kevin and his team installed a new kitchen for me 3 years ago and I was very pleased with the completed work. He again did an excellent job on the exterior of my house. His team are punctual and tidy in their work. The lines of communication were very good and I was always kept informed of progress on the job. There was a very small issue with a piece of guttering after they had finished which they came to sort out very promptly - you can't ask for more. I would highly recommend Kevin and his team. **Customer in Hampton, 23 October 2011**

Single storey extension with skylights 10 / 10

Kevin and his team were a pleasure to have around. They were punctual every day, cleaned up every day before leaving, kept us informed of the programme and completed the job within the timescale. The quality of their work is excellent, even the Building Inspector commented on it. I love my new room and would not hesitate to recommend them to anyone. **Customer in Ascot, 9 May 2011**

Kitchen re-fit plus re-wiring, re-plaster and major building works, 10 / 10

We had used Kevin and his team on a number of previous occasions and returned to them again when our kitchen needing much work completed. As usual, Kevin and his team worked wonders, transforming a tired kitchen in need of some serious improvements into a kitchen to be proud of. Neighbours have remarked many times about the excellent standard of work they can see in our new kitchen, so yet again Kevin and his team performed brilliantly. Would we use another firm of builders? No, we wouldn't. Kevin and his team are a professional, polite, quality firm who ALWAYS complete work to our complete satisfaction. **Customer in Ashford, 7 March 2011**
