Raised decking, full width of house plus a raised walkway to an external workshop, all with balustrades

9 / 10

Started on agreed date/time, attended site at allotted time each day, finished and cleared site on completion. They were flexible enough to amend plans as they worked to incorporate changes, and to overcome any obstacles they met. Nice work, done in a timely and friendly manner. They will be returning to stain the wood once it's dried. **Customer in Watford, 11 May 2012**

We are very happy with the completed job and standard of workmanship. We were given excellent advice beforehand by Mr Jones about the different options of wood and improvements to the lighting. They were punctual, courteous and hard working. I would have no hesitation in recommending this company to others. **Customer in Kingston upon Thames, 16 April 2012**
