Exterior + garage doors, fence and gate

I am very pleased to recommend Kris and his staff. Thoroughly nice guys. I took quotes from 3 providers about 6 months ago and chose Krik because he appeared to be the most organised and thorough. He was not the cheapest nor the most expensive, but I thought he was the most professional. I am very happy with the results and he and he staff were courteous and hardworking throughout. They are coming back to paint one of our master bedrooms in a couple of weeks. Tricia, New Malden **Customer in New Malden, 17 May 2012**

We have used Kris on several occasions now and have always been very impressed - his quotes are accurate and reasonable and he gives good advice. His workers are extremely punctual, efficient, pleasant and trustworthy (we often go out and leave them with the keys). They always tidy up each day and even vacuum. Highly recommended. **Customer in London, 1 May 2012**

Repaint of entire 1-bedroom flat

Having had a truly terrible experience when my flat was first decorated eight years ago I was very unsure about getting anyone in to do the work but lack of time meant that I needed to get someone in. I'm highly suspicious of people who seem too accommodating after my previous experience but Kris' conduct and workmanship was faultless. Kris is charming and friendly and he and his guys work very hard and are very thorough. I can't recommend him enough. My faith is restored and I'll be using Kris again soon as the house needs a lot of work ... **Customer in London, 3 February 2012**
