#### Fixed a leaking toilet

10 / 10

Called me back within an hour of leaving message, came the next morning, on time, to do work. Diagnosed the problem and showed me what he had found and explained everything he was going to do. He had to go out to get parts, and did the job quickly and efficiently. He cleaned up after himself as well. I would happily use this company again. Excellent service. **Customer in Staines, 28 October 2011**
