Complete bathroom refit 10 / 10
John had previously done some work for us so we did not hesitate asking him to refit our bathroom. The job ended up being bigger than planned due to the state of the walls - John sorted it with no fuss and at minimal cost. He also sorted out a faulty light, broken light switch, and boarding in our loft - none of which directly related to the bathroom and he didn't charge us for any of it. Would not hesitate to recommend John as his work is excellent. **Customer in Horsham, 29 September 2011**
